**EVERY STUDENT
IS A WINNER!**

Ushering in a new Spirit of Sports Education

Introduction Kadamba Sports

Kadamba Sports, working as a Federation, drives to ensure an attitude of excellence in awareness and training for the most required circle of talent - the students. Strongly believes in laying the right foundation with ample guidance and support. We at Kadamba Sports are dedicated to uplift the shooting fraternity of the state and have hence adopted the name of the first ever dynasty of the state - in a declared effort to work with a 'State-First' concept.

Kadamba will spread the nuances of sporting culture across the state in as many cities as possible, ensuring a consistent and regularised mechanism if set-up, training and mentoring, and thus create a balanced and equal platform, while at the same time discharging maximum knowledge and on-hands experience to sports with least compromise on all other faculties.

With a team of dedicated and highly experienced sportsmen, Kadamba is THE singular force that can bridge all institutions in the state to have a healthy shooting fraternity, offering more experiences and opportunities to students.

Vision

Develop Sports Shooting talent across Karnataka.

- To Improve Shooting Sports in the state.
- Improve Concentration, Self-Control & Discipline.
- Encourage newcomers to Participate, Contest and Score at different levels of competitions, especially in enabling schools to participate in CBSE Zonal and National level championships.

Mission

Empower Regional Units across the state, including Guidance, Mentoring, Testing, Event Conduct, and Procurement of Shooting Facilities

- Identify District-wise channel affiliates to Promote & Carry forward sports shooting activity in individual units like Schools, Colleges and affiliate channels.
- Channelize procurement & setting up of shooting facilities including ISSF Grade ranges.
- Make avail expertise in coaching & mentoring with an intention of developing sports shooting talent across the state.
- Establish Norms & Regulations including processes for training & conduct of matches to ensure a consistent implementation across the state.

Institution Benefits

- Stay in line with the updated CBSE Sports Syllabus, in introducing Sports Shooting to their students.
- Shooting promises to be one of the most promising sports of the future.
- Shooting is known to greatly develop concentration, mind-body control as well as an individual focus.
- Shooting, when conducted in an organized and aware manner, throws open doors for students to gain credit in several state and national events.
- Being an indoor sport, Air Gun Shooting can be practiced in any weather, making it that much more available to students.
- Unlike certain other sports, shooting can be mastered by just about anyone, and across genders.
- Be one of very few organizations in India are capable of associating with the proper and required talent in setting up ranges, running a qualitative schedule and training students for better glory..

Student Benefits

- Shooting sport is a boon for today's youth, given its advantages of not only greatly aiding mental focus and balance, but in also allowing today's youth to involve in a sport that is clearly India's best bet.
- Kadamba brings world quality standards, certified by International Shooting Sport Federation Judge, and mentored by national champions.
- Kadamba ensures that every student is greatly benefited with the right foundation of awareness and knowledge.
- Physical, Psychological and Student-Specific guidelines are prescribed to ensure that every individual can improve their strengths and skill.
- Kadamba, has laid out a clear plan which will inherit existing skillsets and mould it to suit the requirements of a champion.
- Kadamba will also, in alignment to the institution and state/national events, schedule every session in such a manner that there is least impediments and clash with basic education.
